## DANCE AT CIVIC OFFICES MONDAY

As the council could not invite the desired number of guests to the ball, they planned a dance to make it possible for more residents to participate in celebrations following the opening of the Civic Offices.

Residents who are unable to attend the Civic Ball on Saturday, December 7, are invited to take the opportunity of attending this dance arranged for Monday, December 9.

The same band and caterers arranged for the Civic Ball have been hired for the dance which will start at 8.15 p.m. and run to 1 a.m.

Dress will be informal and a nominal entrance charge of 3/- will be donated to the Elderly Citizens' Building Appeal.

## INFANT MISTRESS APPOINTED TO SEAHOLME

Miss Mary E. Grieve has been appointed Infant Mistress at Seaholme Primary School.

Miss Grieve is at present Infant Mistress at St. Albans. She lives at Williamstown.

## OPERATION BEACH CLEAN

The first parade of organisations taking part in Operation Beach Clean for this coming summer season will be on Saturday morning, December 7, to co-incide with the opening of the Civic Offices.

During the parade between 11 a.m. and 12 noon official guests present for the opening will be touring the Shire, including the foreshore.

It is the desire of the council to demonstrate to visitors how participants in Operation Beach Clean help rid the beaches of broken glass, etc., and keep it clean.

## Citizenship Award

There will be no citizenship award for 1963. When the matter came up before the council this was so decided on the motion of Cr. H. W. Lee.

It was agreed that current nominations be held over and discussed with any others received in making an award for 1964.

## Prime Minister to Open Shire Offices?

The Prime Minister of Australia—or the Leader of the Opposition—will officially open the Altona Civic Offices on the afternoon of December 7, at 2.45 p.m.

Long before the Federal Election was proposed the Hon. A. A. Calwell, M.P., agreed to open the offices.

Knowing how busy Mr. Calwell would be with the elections, the Shire President, Cr. G. den Dulk, contacted his office and was assured no matter what the result of the election the Hon. A. A. Calwell would be coming to Altona.

Official guests will arrive in the morning for a tour of the Shire. A luncheon will follow.

All residents of the Shire are invited to attend the opening ceremony and to partake of afternoon tea which will be available in a marquee on the lawns. A reserved area will be provided

for the official guests who will move into the council chamber to witness the commemorative council meeting. Throughout the afternoon a musical program will be rendered by the RAAF Central Band.

During the afternoon the Civic Offices, Council Chamber and Hall will be open for inspection by the public until 5.30 p.m.

The offices and council chamber will re-open for the public between 8 and 10.30 p.m., but not the hall (because the civic ball will be in progress).

## SHIRE PRESIDENTS APPEAL

On Saturday, December 7, 1963, the new Civic Offices in Civic Parade will be officially opened. The ceremony will commence at 2.45 p.m. An invitation is extended to all ratepayers and friends of Altona Shire to attend the ceremony and join in the inspection following the opening of the offices, the council chamber suite and the new hall. Afternoon tea will be served on the lawns.

Prior to the opening the distinguished visitors will be taken on an escorted tour throughout Altona Shire to observe the residential, commercial and industrial development of the area and also the public utilities which the council has provided.

Purpose of this letter, therefore, is to appeal for your co-operation to ensure that your property is attractively presented on that day, that the surrounds of the property including nature strips (where existing) are neat and tidy. This will indeed help to prove the impression of progress and solidarity of the Shire.

Incidentally, the same presentation could be maintained throughout the Christmas and holiday season and so create the same impression to the numerous visitors and tourists who come through this area during the summer season.

GERARDUS DEN DULK,  
Shire President.

## MILLERS ROAD BRIDGE

The 10th of December is the day when south bound traffic should be using the Millers Road Bridge.

The Shire Engineer, Mr. R. C. Simmons, said it is unfortunate that the bridge will not be ready for use on the official opening day of the Civic Offices. He does expect it to open on December 10.

Portion of the existing road will be closed to allow the embankment on the northern side of the bridge to be widened.

Mr. Simmons is confident the bridge will be completely opened for traffic travelling in both directions before Christmas.

## PASSING OF PRESIDENT KENNEDY

After a few fitting remarks by the Altona Shire President, Cr. G. den Dulk, the council observed one minute silence in memory of John Fitzgerald Kennedy, President of the United States of America, whose tragic death has shocked the world.

## DOG POISONER

A dog poisoner has been active in the western end of Altona.

A dog belonging to a resident in Bracken Grove apparently picked up and ate baited meat, the bones of which were left strewn over his front lawn.

The family were distressed at the loss of their dog, but even more concerned at the possibility of baits being thrown where toddlers may reach them.

Further reports have been received from dog owners in Blyth Street (western end) and Maidstone Street on the loss of dogs through poisoning.

These families also have young children.

## NOTICE TO ALL SHOP KEEPERS AND RESIDENTS

Our Shire will be on show to many visitors on December 7—the official opening of the Civic Offices.

We earnestly appeal to all residents to show their pride in the municipality—this weekend will be the last opportunity many will have to clean up and tidy nature strips. Shop keepers are urged to make a special effort with decorations.

Visitors will be touring the Shire, so let us make sure they will go away with a most favourable impression of the district.

## WEDDING BELLS

The marriage of Sylvia Bailey and Douglas Fry was celebrated at St. Eanswythe's Church of England, Altona, last week.

The bride is the younger daughter of Mr. and Mrs. J. Bailey, of 42 Seves Street, and the bridegroom is the elder son of Mr. and Mrs. A. Fry, of 22 Lark Street, Altona.

A white duchess satin princess line frock falling into a train at the back was worn by the bride. A small satin pill box hat held her full length veil in place. The veil belongs to the bride's sister who lives in England. She carried six long stemmed pink carnations.

Bridesmaids were Barbara and Lynette Allen, cousins of the bridegroom. They wore identical gold satin frocks with bell skirts and carried long stemmed, pink carnations.

Jennifer and Annette Twomey, nieces of the bridegroom, were flowergirls and they wore gold sashes around the waists of their white satin frocks. Each carried a basket of carnations.

The bridegroom had his brother, Raymond, as best

man and the bride's brother, Roy, was groomsmen.

The bride's mother was charming in a very pale aqua ensemble set off by her pink petal hat and pink gloves. Her shoes and bag were black patent leather.

Mrs. Fry, the groom's mother, looked very smart in her pale green ensemble, her hat of deep mauve flowers with gloves to match and bone shoes and bag.

After the ceremony over 100 guests attended the breakfast and reception held in the Life Savers Hall.

For travelling the bride chose to wear a lovely dust pink frock and coat, a pretty dusty petal hat and black patent leather shoe and bag.

The couple are honeymooning in Tasmania.

## COUNCILS TO SET UP A QUARRY?

Early in December the Shire President of Bulla proposes to convene a conference of municipal representatives from the Cities of Keilor and Broadmeadows and the Shires of Altona, Gisborne, Romsey, Kilmore, Melton and Whittlesea to discuss the possibility of setting up a municipal controlled quarry for the area.

Cr. H. W. Lee considers Altona should support this proposition in every possible way. He said the council has already had many objections regarding increased costs of private street schemes and every effort should be made to break the price ring of the Quarry Masters Association.

Cr. W. G. Cresser said anything to provide cheaper roads should be done and councillors agreed Altona Shire would have representatives at this conference.

## COUNCIL EMPLOYEES GET CHRISTMAS BREAK

The outdoor staff of Altona Shire Council will have an eight day holiday on full pay over the Christmas period.

An application by the Federated Municipal and Shire Council Employees Union for the granting of three days leave on pay between Boxing Day and New Years Day was readily granted by the council.

It was also agreed that only minimum essential service work would be carried out on February 24, 1964. This is the day of the union picnic at Mornington.

## ESSAY PRIZES

Six copies of "Spotlight on Australia" are to be donated by the council, together with suitable certificates to be awarded to first and second prize winners of the essay competition now being conducted by the Australia Day Committee among the schools in the Shire.

## BALL TICKETS LEFT

A few ball invitations are still available.

All official invitations for the opening of the Civic Offices have been issued and the Shire Secretary, Mr. J. W. Waters, reports that most of the recipients have accepted.

Owing to space limitations, official invitations to the Civic Ball were restricted. However, a limited number of invitations were set aside for Altona residents and some still remain.

Tickets for the ball may be reserved by calling at the Shire Offices and donating £1 per ticket towards the Altona Hospital. Dress is formal.

## Open Office Closed

The Saturday morning office open for residents wishing to contact Altona Councillors will be closed for the next two weeks—November 30 and December 7.

The first Saturday is the day of the Federal Elections and the second the official opening of the Civic Offices.

The office which is in the old Shire Offices in Queen Street, will re-open on December 14.

At the council meeting this week it was agreed that in future there should be a session in each council meeting agenda giving a report on the action taken on suggestions put forward by ratepayers who have interviewed councillors at this office. In this way councillors can keep up to date with the results of residents proposals.

## ELDERLY CITIZENS' CLUB EXTENSIONS

The much needed extension of the Elderly Citizens' Building is nearing completion. When finished extra amenities will be available for members.

However, the sale of the bricks in the bob-a-brick campaign to raise funds for the building fund is lagging, and the welfare committee urges the support of local residents for this worthy cause.

## DISTRACTION

On visiting the new civic offices the other day it became evident why council chose the site. The scenery is worth watching.

The offices are next door to the tennis courts.

On Tuesdays and Wednesdays the ladies play tennis. Have you seen them arriving in their attractive short tennis frocks?

The male employees at the civic offices have.

## HOW TO VOTE

On Saturday next Altona citizens will be required to register their votes. They must make a decision as to the most suitable candidate to represent them in this electorate. They, in most cases, will also be making a choice of the Party whom they desire to rule Australia for the next three years at least.

It is of course unfortunate that in a democracy under a party system of Government, the worth of the candidate as an individual appears largely obscured. He will simply add to the government majority or the numbers of the opposition. Effectively this is so. Even so the character and integrity of the elected members does count and in the final analysis the party's success or failure on such depends.

Politicians always claim these three years to be most vital in the life of the country. It may be so. For our part we believe loyalty to the spirit of those who founded and built our Commonwealth means we should not lightly hold what they stood and worked for. We should favour those who strive to build upon their labours.

This will be a matter of concern to all thinking citizens. Too often an objective decision is not made. Habit or prejudice or bias are guiding factors.

Nothing less than a vote based on an evaluation of the past performance of both parties—in opposition or in power and their possibilities in the future can satisfy the conscientious voter.

Probably in this electorate the votes of any or a fair number of individuals will not be decisive. Even so every thoughtful voter will gain satisfaction from his action on Saturday. If he voted for the elected candidate he will have the satisfaction of knowing he assisted his success. If the candidate of his choice is rejected the voter can recall that he at least did all he could to help him.

The company has grown from a staff of 15 in May, 1962, to its present complement of over 50 employees.

This will be the first social club evening since the formation of the company and if hard work by the committee has any bearing on the outcome it should be a great success.

### LETTER TO THE EDITOR

A committee sponsored by the council and consisting of various local organisations is again preparing for the summer season by arranging "Operation Beach Clean."

The main purpose of Operation Beach Clean is to rid the beaches of hazards to bathers, such as broken glass, and to keep the area clean.

Each organisation is responsible for a section of the foreshore. Regular raffles are conducted during which members of the Parks and Foreshores Committee of the council inspect the various sections. A competition is conducted during the season and prizes awarded for the best kept areas.

Since the inception of Operation Beach Clean accidents on the beaches have been reduced considerably.

You can also add your help by using receptacles for any rubbish and by leaving the area clean and tidy after use.

### R.A.A.F. BAND CONCERT

Despite the RAAF Women's Association advertising the concert well in advance, attendance at the Cinema, Laverton, last Friday night was very disappointing.

The musical program presented by the RAAF Central Band was well chosen and presented, showing the versatility of the band to advantage. The numbers were such as to appeal to all.

Mention must also be made of the band's singer, Sgt. James Stryker, who rendered a selection of songs.

A section of the program was devoted to Christmas Carols in which the audience was asked to participate.

We can only say further that those present enjoyed every minute of the performance and those who did not attend missed a pleasurable evening.

Supper was later served to members of the band by the ladies of the RAAF Women's Association.

### METHODIST ANNUAL FLOWER SHOW

Saturday, March 7, is the date for the 1964 Methodist Flower Show and Fair, which will be held in the Youth Hall, Seves Street, Altona.

Included in the many sections of the show will be floral art displays, cut flowers, pot plants, vegetables and fruit, cooking, produce and photography.

There are special sections for juniors who can display their ability with flower arranging, handicrafts, cooking and school work. They are divided into two groups, 10 years and under, and over 10 years, but under 16 years.

Stalls will have produce, pot plants, cakes and sweets for sale and afternoon tea will be available.

Entries for the show close on Thursday, March 5, at 5 p.m., and may be lodged with the honorary secretary, Mrs. E. Bertram, 29 Upton Street Altona, or Mrs. C. Scherman, 13 Seaview Crescent, Seaholme. Phone 65-8635.

### PARISH PICNIC

Members of Laverton's Catholic Community held their parish picnic at Bacchus Marsh on Sunday, November 17.

Members of Queen of Peace Mothers' Club, who organised the function, were pleased with the support from parishioners. Two buses and about ten cars full attended.

The weather was perfect and after lunch races were held in which everyone participated; age races, family races, single ladies race, married ladies race, egg and spoon and sack races. The men of the family were not forgotten either.

Quite a few elected to remain for a picnic tea and the buses loaded for the return trip at 6 p.m.

As the day was so much enjoyed plans are afoot to make this a permanent fixture on the social calendar each year.

Special thanks are indicated to Mrs. Dillon and Mr. Russell, to whose organising capabilities we are greatly indebted for the success of the outing.

### REMINDER

Ex-Airmen and serving airmen are invited to attend the Altona Air Force Association annual dance and family night at St. Mary's Hall, Sargood Street, Altona, this Friday night, November 29.

### JUMBLE SALE

Altona North Methodist Sunday School will benefit from the jumble sale to be held in the church hall at the corner of Marion Street and Sixth Avenue this Friday evening, November 29, commencing at 7.30 p.m.

As well as second hand clothing the stalls will be well stocked with new articles such as aprons, children's clothes, etc. On sale will also be Christmas gifts and home made cakes.

One hundred and thirty guests were there and all left after a most enjoyable evening.

## LOCAL ACTRESS TO APPEAR IN PANTOMIME

The children of Williamstown and district are to have their own pantomime this year.

Presented by the Williamstown Little Theatre, and written and produced by a member of the group, Gillian Wadds, it is entitled, "Peter and the Princess," and will be played at the Mechanics' Institute on Tuesday and Wednesday, December 17 and 18, at 7.30 p.m.

Local Altona actress, Gwladys Winfield, of Bracken Grove, is to appear in the production.

The beautiful Princess Pamela is captured by a wicked sorcerer, who carries her off to his castle, there to cast a spell on her, making her his slave.

As the sorcerer says: "I must have someone to wash my dirty socks, and send my hat to be straightened."

Peter the Shepherd, and Silly Willie are the only two who are willing to go in search of the Princess, and they have an exciting time, and meet many obstacles, before they eventually rescue her. The wicked sorcerer and old Witch Hazel defeated, the King gives his blessing to the wedding of Peter and the Princess, and everybody lives happily ever after.

GWLADYS WINFIELD

There is plenty of excitement, but keeping the audience in mind, there is nothing which will frighten small children. There are a number of songs for the children to sing, dancing, fairies and all that is needed for a successful pantomime.

Booking will open at the WLT Cottage (next to the Mechanics' Institute, Electra Street, Williamstown), on Monday, Wednesday and Friday, December 2, 4 and 6, from 7.30 p.m. until 9 p.m.

### HOTEL CENTRAL LADIES 10-PIN LEAGUE

As the end of the current series draws to a close, competition by the eight teams competing is highly competitive, but at all times the friendly atmosphere which has prevailed since the formation of the League in August of this year, is evident.

The Hi-Jacks are leading by a fairly narrow margin from the Brownies as at November 20, but all teams are playing well.

Members are reminded that the final games will be played on Monday, December 9, to enable a buffet luncheon incorporating the presentation of trophies, to be held at the Central Hotel on Wednesday, December 11.

### WOMAN'S CHRISTIAN TEMPERANCE UNION

The Altona Branch of the Woman's Christian Temperance Union will meet on Monday next, December 2, at 2 p.m., in the Baptist Youth Hall.

Members are reminded that fees are now due.

Ladies are invited to come and bring a friend.

### STREET STALL

Parents of guides and brownies, please remember the street stall in Pier Street on Saturday, November 30, at 9 a.m. It is still not too late for donations.

The last meeting for the year of the Local Association will be held on December 2 at 7.30 and afterwards will have the district guiders as their guests for a Christmas social.

### STREET STALL

A street stall will be conducted by the Altona High School Mothers' Club in Pier Street, Altona, on Friday, December 6.

Parents wishing to donate goods to stock the stall may send them along to the school.

### REMINDER

Mothers do not forget the baby show at the Laverton Kindergarten in Crown Street on this Saturday afternoon, November 30.

The Infant Welfare and Pre-School Auxiliary have arranged a number of prizes for different age groups ranging from babies of a few weeks to 4-year-old toddlers.

The show will commence at 2 p.m. and the children will be judged by staff members of Werribee Hospital.

# Kirk takes Hat-trick in Local 'Grudge' Match

The annual "grudge" match between Altona Cricket Club and Altona ANA Cricket Club was played out last Saturday at Grant Reserve with the honours even at the end of the day. Altona A turf convincingly won on the first innings. Altona ANA B turf took the points in the minor match.

Rain affected the wicket on the main oval and delayed the start by 90 minutes. Altona ANA then won the toss and elected to bat.

I. Eldridge and G. Mildern opened and both batted carefully against the bowling of Kirk and Perussich, until both were dismissed with the score at 16.

A. Hunt was next to go with no further addition to the score. W. Douglas and R. Gray came together and added 41 runs in good time to carry the score to 57.

Frank Kirk then struck again, taking the hat trick for the fourth time in his career. W. Douglas was the first to be dismissed after compiling a useful 23, followed by N. Trickey and S. Magee, who completed the treble.

Mildenhall, Page and Kirk then polished off the rest of the ANA bats, leaving Altona with 73 runs needed to win.

Kirk and Duckett opened for Altona with plenty of time to get the runs required, however, very accurate bowling from T. Gray

and W. Douglas kept the score down to 20 runs in the first hour of the innings, and with two wickets down, spectators were looking worried.

But Kirk, who had now been joined by Elkins, put on 48 runs in 30 minutes in a very good partnership to make certain of the match for Altona, who finished easy winners and further consolidated their position top of the premiership ladder.

Frank Kirk, once again doing well with the bat, top scored with 43.

## B TURF

Altona ANA second XI easily defeated Altona Cricket Club second XI in the minor game, winning by 72 runs on the first inning.

P. Gurrie, batting well, top scored with 45 and was well supported by R. Houghton 26 and captain Tom Myers

12. Many fielding errors also contributed greatly to the score.

R. Conradi, playing his first match for Altona, bowled well to finish with 7/30.

Altona then batted, but were unable to overcome some very fine bowling from Tom Myers who took 5/18 and was well supported by R. Houghton with 3/4 and W. Houghton sen. 2/16.

G. Hoskin played a lone hand for Altona scoring a hard hitting 44 out of a total of 65.

With very little time left for play ANA decided to bat again and at stumps were 6/58.

# J. COMBEN ANNIHILATES WERRIBEE SOUTH

John Comben, better known for his football ability, showed last Saturday at Chirnside Park that he does not lack much ability on the cricket field. Opening the bowling for IOR Comben did not have immediate success, but when he shook off the effects of a minor car accident the previous night, he immediately terrorised Werribee South batsmen.

South were 2 wickets for 88 runs at one stage, but were dismissed for 146. Comben finished with the remarkable figures of 8 for 51.

Top scores for South were Eddie Closer and Brian Oldfield, with 44 and 22 respectively.

However, sensations did not cease when IOR went to the wicket, as, off the seventh ball of their first over, and the last over of the day, they lost their captain, Bruce Comben, without a score being on the board. This game now rests in an interesting position.

## RESEARCH FARM IN RUN FEAST

Attacking the bowling from the outset, Research Farm set Laverton a

mammoth task by amassing 257 in approximately 200 minutes.

Chief run-getters were Harry Lang, with 68, and Paul Doolan with 67. Ken Harvey and Frank Gibson each took three wickets for Laverton and were not particularly costly in doing so.

## TWO WERRIBEE SIDES IN GOOD BATTLE

Declaring their innings closed at 6 for 168, Werribee (1) gave their sec-

ond side a fighting chance of scoring their first ever win.

Neville Morrish, Dave Carss and Les Hayley each scored over 30 and when their innings was closed they looked to be in a sound position.

However, Terry Chapple, 19 not out, and Brendon Morris, 13 not out, soon put worries forward to the No. 1 side when they stubbornly resisted dismissal.

This game could develop into a good battle as the bowling of the No. 1 side is far from full strength and may find it difficult to dismiss this opening pair.

WERRIBEE RIFLE CLUB

The Werribee riflemen met with mixed success at the 500 yard pennant shoot at Geelong last Saturday. The A Grade team finished third with the B Grade team winning on a count back.

Conditions were ideal for shooting most of the afternoon and some good scores were recorded. The best of these being two 49's, one 48 and 16 47's.

The results of both grades had to be decided on the count back system as the points scored in both cases were the same.

There has been a marked improvement in the shooting and the competition is very keen.

Details are as follows—

A GRADE

Geelong, 281; Corio Bay, 281; Werribee, 278.

B GRADE

Werribee, 276; Bacchus Marsh, 276; Geelong, 272; Corio Bay, 229.

2 Werribee Players Have Chance to Play Against Springboks

At the delegates meeting of the Werribee Cricket Association last Friday night two Werribee cricketers were selected to play in a trial game at Geelong on Sunday next.

An XI to play the visiting South African team in a country match at Geelong on December 30 will be selected from this trial game.

The two players selected are John Comben and Harry Lang, both of whom showed the selectors' good taste by each performing splendidly in last week's games. It is

hoped that at least one, and if not, both of these players can be selected in the final side as it would certainly add to the prestige of the local association.

RANGER'S REPORT

For the months of September and October the Werribee Shire Ranger, Mr. A. Robinson, reported 30 dogs had been taken to the Lost Dogs Home and six others caught and released to their owners.

He had attended 11 complaints regarding dogs—seven in Werribee and four in Laverton.

Two wandering goats were returned to their owner in Laverton.

There was no immediate danger to houses during a 300 acre grass fire at Laverton on Wednesday.

The fire was between Merton Street and Skeleton Creek.

Two appliances from Altona and Newport, and a tanker from Footscray were aided in no small way by two RAAF crash tenders.

The units concentrated on the area nearest houses first and it took them one hour to bring the fire under control. Altogether they were occupied for two hours.

Fly Control

Most proprietors are eager to do anything to combat the fly nuisance reported the health inspector, Mr. R. K. Andrew, to Werribee Council.

Mr. Andrew has recently completed an inspection of offensive trade premises in the Laverton North area, resulting in the owners of many premises being served with notices to carry out works require under the Health Act.

Fly control methods have been intensified and proprietors have been notified of the need for much stricter hy-

giene in the operation of their businesses to obviate fly breeding. Steps have been taken to educate them on the eradication of flies by fly baits, knock down sprays and residual sprays. Standards for employees are to be improved by the screening of all doors and windows of amenity rooms.

A fly control team, headed by Mr. H. Wilson, senior Government Entomologist, will shortly be visiting Werribee Shire on a fly survey and Mr. Andrew will be working with them. He will report on this project to the council.

NO SNAKES

Resident around the trotting track in Altona North will be pleased to learn of the efforts of eight men on two recent weekends.

**SPORT****BRISTOL WINS DART FINAL**

Bristol Hotel and Carbon Black, the two winning teams of the first round, were pitted against each other last Thursday night, and Bristol swept through Carbon Black with a 5 games to 2 win.

Doug Stirk (Bristol) and Alf Thompson (ACB) were first to the board, with Stirk taking the first game with a double 20 finish.

J. Patterson (Bristol) and Don Eames (ACB) were next on. Patterson with a 55 start and an 80 score during his throws, resulted in Eames being whitewashed to give Bristol a two game lead.

G. Payne (Bristol) and Joe Mannagh (ACB) were the next pair to throw. Payne commenced with 100 and Joe Mannagh threw 52, with Payne finally taking the game.

K. Kearney (Bristol) and Kevin Timms (ACB) took a while to get off. Kearney used 18 darts and Timms 24. Kearney threw an 86 and Timms a 78 before Kearney, who wanted double 1 to finish finally disposed of Timms.

This gave Bristol a four games lead and another singles win would see the match won.

J. Pollock (Bristol) faced Bill Burrows (ACB). Burrows commenced with a 57 and Pollock with 40. No high scores were recorded and Burrows, with a double 18, won the first game for Carbon Black.

K. Robinson (Bristol) and Noel Augustini (ACB) were the last singles match. Robinson got away with a 57 start. Augustini, after six darts scored an 81 start. Then Robinson scored an 80 to give him a good lead and then crashed to wind up on the double 1. Augustini threw a 65 and he wanted five to win and did it the hard way—treble 1 and double 1 to take the game.

These two wins for Carbon Black looked as they they could make a come back, but in the first three D. Stirk, J. Patterson and G. Payne, were pitted against A. Thompson, D. Eames and J. Mannagh.

Stirk started off with 80, Patterson with 65, Payne 45, then Stirk threw 100 and a double 12 to take the game and match for Bristol.

In the second match of the night the two losers of the first round—Altona Darts and Albright & Wilson—fought out a dull match to keep alive their chances of making the grand final.

However, Altona Darts were not good enough to extend Albright & Wilson, even though Rogers and Whiffin won the first two singles.

From then on Albright & Wilson just swept away all opposition, including a white wash for Bill Draper from D. Jordon.

In the first three D. Jordon threw the winning shot to take the game and match.

**3rd ROUND**

Tonight, November 28, Carbon Black will meet Albright & Wilson in the preliminary final.

It was mutually agreed that the team which wins this game will play Bristol Hotel in the grand final on the same night.

The tipping is that Albright & Wilson will win the preliminary final and go on to play the Bristol. Albright & Wilson has been the only team to extend Bristol and it is certain to produce some shocks. Speculation has it that Albright & Wilson could give Bristol its first defeat.

**NOVELTY NIGHT**

On Thursday, December 5, at Marion Hall, the League will be conducting its last dart night for the year, and to make it enjoyable a novelty event will be conducted.

**SPORTING  
PERSONALITIES  
PAST AND PRESENT****No. 17—FRANK KIRK,  
Cricketer.**

Altona cricketer, Frank Kirk, who, after 22 years of the sport is still going strong, is proving at the moment that time is no barrier to his success in local sport.

Frank commenced his cricket career when he was 20 as a member of the Britania Lodge group in the Carlton area, his team being competitors in the Manchester Unity Lodge competition, and in his first season of 1941-42, Frank, as a medium pace bowler had the honour of taking a hat trick which no doubt assisted him in winning the association bowling average on a percentage of 4.8 runs per wicket.

He also had other fine performances in his first year notably a 10 wickets for 15 runs on one occasion and in batting had a score of 155 runs, this was also a premiership year for his team.

Prior to joining the Northcote Cricket Club for the 1945-46 season, in which he played in both the first and second XI's, Frank had completed four years of cricket in the Lodge group and in that time he gained selection in their combined teams once as a playing member only, and on the other occasion as captain.

After one season with Northcote in district cricket, Frank returned to his old team and in 1946-47 he again took out the association bowling average with a 5.2 percentage and to top all, Frank was deemed to be his club's best allrounder in the six years he had represented them.

The foundation of a Manchester Unity Cricket team in Altona occurred in 1947, and Frank with the support of team members Bill Pascoe and Len Smith, assisted in giving the new club a start. Frank in the first year with his new team soon struck form and completed the 1947-48 season by winning the club batting and bowling average. His efforts in 1948-49 also won Frank top averages for the club and he again won the double event, his bowling average being 6.7 followed by a batting average of 58.3 runs per innings.

Averages up to this stage of his cricketing years seemed to have an attraction for Frank as in 1948-49 he gained the batting average of the association and again in 1949-50 he took top batting honours in the same group.

Figures of some of Frank's batting averages are not available but to prove his consistency again in 1951-52 (a year in which he was team captain) the association batting average had the name Kirk as the recipient.

As vice captain of his team in 1953-54 Frank was to have a big year which was climaxed with a premiership win. Batting in his best style Frank made 178 runs to get the team into the semi-finals and in the semi-final he surpassed all by knocking up the big total of 280 runs. Not to be outdone, Frank went on to top a century in the grand final, an effort which went a long way in giving his team

victory in the grand final.

With an average of 58 for the season, Frank completed a fine year of batting and again won the association award.

Hat tricks are not easy to gain, but Frank was able to add this effort and a 9/3 runs to his 1953-54 record.

In his remaining years with the Lodge competition, Frank added further to his record book by winning the association bowling average for 1954-55 the highest aggregate in 1955-56 and in the season 1957-58 he was again a member of a winning premiership team, a match in which he contributed a century in the first innings.

Manchester Unity Altona XI joined the Williamstown and Footscray District Association for the 1959-60 season and Frank remained a member of this team which made the four in their first and second season.

Many batsmen fell to the bowling efforts of Frank in those seasons and some of his efforts were a 6/6, 5/10 and 5/8 and his best score for the season 1959-60 was 74.

Other notable bowling efforts by Frank were 7/17, 5/17, and 4/9 in the 1960-61 season, but to cap all, Frank took another hat trick in the 1961-62 season which made it the third occasion for him to emulate this cricketing feat.

Frank was appointed team captain for the 1961-62 season, a position he still held in 1962-63 when the Manchester Unity team disbanded and became known as the Altona XI.

This season Altona are at present on top of the ladder and after the performance by Frank of Saturday last in taking a hat trick, the fourth of his career and top scoring with 43 runs, he will assist greatly in giving the team a good chance for a grand final victory.—STAN CLEGHORN.

# GAOLED FOR ASSAULT

Richard William Allison, 17 years, of Monmouth Street, West Newport was charged with assaulting Werner Bernhardt, and with unlawfully assaulting Bernhardt thereby occasioning actual bodily harm. He pleaded not guilty.

Werner Bernhardt, 17 years, painter, of Romawi Street, Altona, told the Court that at 7.30 p.m. on Saturday, October 5, together with his brother and friends he arrived at a party in Ross St., Newport. He had been there awhile when he noticed the accused standing in the doorway. About 9.45 p.m. he left the premises with a girl, Jill, for a phone box and about 10 feet past the lane in Ross Street heard somebody from behind calling "Hey, you."

He stopped and turned and saw accused standing there but he took no notice and went on. The same thing was called out again and he turned round and Alison said, "I don't like the look of your face." He replied, "There's nothing I can do about that," and turned to walk off, but was grabbed by the arm, spun around and punched in the face by defendant. He was punched some more times causing a broken nose, black eye and the top of his teeth to be very sore.

Allison said, "See how that feels." He fell back against the fence and tried to get away but could not as the fence was behind him and Allison in front. Defendant called out to a mate, "Get the girl before she yells out," but she got away to the house and his friends came out. He was later treated at the Footscray Hospital. He had never seen the defendant before and he did not speak to him at the party.

Jillian McDonald, of Yarraville, said she was at the party and left to ring her parents, accompanied by Bernhardt. Somebody called out and she saw defendant behind them and another boy further back. She saw him punch Bernhardt more than once and he fell against the fence. She did not know defendant.

Dr. D. Jones, of Footscray Hospital said he treated Bernhardt for a broken nose and manipulated it. A week later he had to break the nose again and reset it.

First Constable Power said he interviewed defendant and told him it was alleged he assaulted a youth. Allison agreed. He said he had been invited to the party and stood at the door for awhile. Inside there were three kids talking who kept giving him dark looks. He left the party and sat in a car when he saw the boy come out with a girl, and he followed. He told the girl to go and asked the boy if he wanted to "blue" with him. He hit him twice.

## SECOND CHARGE

Allison declined to give evidence and had nothing to say. He was then charged that on November 5 he did assault Kevin Morris Jacobs.

Kevin Jacobs, salesman, of Pallie Street, Newport, said at 9.45 a.m., on November 5, he was walking along Melbourne Road, Newport, and passed a dry cleaners when he was approached by defendant. Defendant said to him, "I know you, you gave some cheek to some girls with horses the other day." Allison then pushed Jacobs in the chest so that he put his transistor radio on the ground and when he got up defendant hit him on the face with a clenched fist. He was knocked into a wall and hit his head on it, knocking him semi-conscious. He picked up his transistor and ran away. He suffered a cut lip, bump on the head and swollen face near the nose.

Constable G. Hyde said he interviewed defendant on November 9 at the police station. He asked him if he assaulted Jacobs and he said "Yes." He said, "I had a fight with him, but I was hit first. Jacobs came up and said, 'I'll fight you.' Told it

was alleged he pushed and then hit Jacobs first, he said "No, he hit me first."

Mr. P. J. O'Connor, S.M., sentenced Allison to one month's imprisonment for assault occasioning actual bodily harm on Bernhardt, the assault charge was withdrawn. He was ordered to pay £6/13/- costs. He was also sentenced to seven days imprisonment for assault on Jacobs, to be served concurrently with the other and ordered to pay £1 costs.

## FAULTY BRAKES

Peter de Neef, of Medford Street, Altona West, was charged with driving a car not being in good mechanical order in that the brakes were defective. He pleaded not guilty.

Constable L. Martin said on August 10 at 6.30 p.m. he attended an accident between three cars in Millers Road Altona. A station sedan ran into the rear of another vehicle. Defendant told him he was going towards Altona at about 35 mph and just over the railway crossing the car in front braked suddenly. He did not see any brake lights and tried to stop but couldn't. He was about 15 yards behind the car. He then checked the car and found the brake pedal went to the floor, but when pumped was effective.

De Neef told the Court he was so careful about trains at the crossing that he did not see the car in front stop. His brakes may not have been fully effective but he did not apply them until he hit the car.

He was fined £1.

## NO SAFETY HELMETS

John Booth Corby, of Edward Avenue, Altona North, was fined £5 for carrying a pillion passenger on his motor cycle and did not have helmets on their heads when stopped in Millers Road, Altona North, on August 23.

## CROSSED LINE WITH WARNING SIGNAL ON

Carmino Schembri of First Avenue, Altona North, was fined £20 for crossing a railway line when the warning signal was operating.

First Constable K. Maynard said on August 10 at the railway crossing in Millers Road, Altona, he saw the flashing lights working, and a car 300 yards away came up, stopped, and then crossed in front of the train.

The train was doing 30 mph and about 200 yards away from the car. Schembri told him he did not see the train but did see the signal.

## EXCEEDED 35

Patrick Joseph Belleneger, of Pilgrim Street, Footscray, was fined £10 for exceeding the 35 mph speed limit.

Constable A. Timms said on June 25, he followed defendant from the Kororoit Creek to just north of Civic Parade. He did 50 mph from the bridge until he entered the 35 mph zone when he increased to 60 mph to Civic Parade. When asked why Belleneger said he thought it was a car with one light behind him, and then said, "I thought you were one of the Angles and wasn't going to stop for you."

## DID 48 IN A 35 ZONE

## SHIRE PRESIDENT TO OPEN YACHT CLUB BUILDING

The Altona Yacht Club's new club house will be officially opened this Sunday, December 1, 1963, by the Shire President, Cr. G. den Dulk.

It is hoped that the Shire Councillors, together with the Shire Secretary and Shire Engineer, will also attend the opening ceremony. Other visitors will include members and officials from various bay side clubs and yachting associations.

The program will start with a barbecue type lunch at 12 midday. The opening formalities are to commence at 1.30 p.m., followed at 2 p.m. by a short race. At approximately 4 p.m. afternoon tea will be taken and the presentation of prizes made.

Last Saturday again provided interesting and, especially in the Hornet Class, very close racing.

In the Moth Class Ray Marion in Cheetah showed a clean pair of heels to his rivals and romped home by more than 17 minutes. The Hornet race was a stern chaser—each boat started on its handicap. After leading for most of the race Struan Mist (Alex Robertson and Julie-Anne Curnow) was eventually beaten by 18 seconds by Sigma, with Athene five seconds behind in third place.

### HORNET CLASS

1st: Jet (Tom Jones and Ron Wilson), 1 hour, 42 minutes, 10 seconds; 2nd: Athene (John Bartlett and Ian Beachley); 3rd: Moonraker (Alan Owen and John Butterworth).

The Handicap Section was won by Sigma (John Neale and Alan and Kevin Tyrell).

### MOTH CLASS

1st: Cheetah (Ray Marion), 1 hour, 21 minutes, 31 seconds; 2nd: Tiki (Cathy Bradley); 3rd: Ronnie (Keith Robertson).

The Handicap Section was won by Cheetah (Ray Marion). Members please note that the November general meeting will be held this Friday, November 29, at 8 p.m. in the club rooms.

### WORKING BEE

Parents of scouts who meet in the Scout Hall, Civic Parade, Altona, have spent every weekend of the past month painting the Scout Hall.

They are endeavouring to have the building completely painted before December 7—the day the Civic Offices will be officially opened.

This coming weekend is the last opportunity of finishing the job before Altona's Day. Once again an appeal is made to parents to come along at 9 a.m. on Saturday morning to help and so make sure the painting is completed.

### KOORINGAL GOLF NOTES

Saturday's four ball better ball bogey event was won by R. Crump and L. Smith, who finished 7 up.

## Labors Man For Lalor

(Authorised by G. R. Crick, 10 McKay Street, Sunshine.)

Mr. Reg Pollard, Labor Member for Lalor Electorate, was born in the country and attended Woodend State School. Later he went to the Melbourne Technical College.

He saw war service with the 6th Battalion in Egypt, Sinai, France and Belgium and was promoted to Lieutenant in the field.

Elected to the Victorian Parliament in 1924 as the Member for Dalhousie, he was assistant Minister for Agriculture from 1929 to 1932 and was elected to the Federal Parliament in 1937 for the Electorate of Ballarat.

During the last war he was assistant Minister for Air and in 1946, was appointed to Cabinet rank as Minister for Commerce and Agriculture. In 1945, Reg Pollard was sent by the late John Curtin to San Francisco as one of Australia's consultants to the Australian delegation attending the UN Conference.

He was also the Minister who negotiated the International Wheat Agreement on behalf of the Australian Government and the Aus-

tralian wheatgrower and introduced the wheat stabilisation plan and guaranteed prices for dairy products.

Residents of Lalor Electorate obtain their livelihood from both rural and industrial occupations.

It is essential to their future welfare that a Federal Labor Government is returned on November 30.

Reg Pollard has represented Lalor since 1948, having been re-elected in 1951, 1954, 1955, 1958, and 1961.

Reg Pollard and the Labor Party are wholly opposed to Communism.

His experience indicates his ability to deal with problems of both city (commerce) and the country (agriculture).

## THE D.L.P. SAYS...

(Authorised by C. P. Meehan, 5 Thomson Street, Sunshine. Phone: 311-1297.)

TO THE ELECTORS OF LALOR—

If I may, I would like to discuss a mutual problem with you. Our future in Australia.

I am concerned because some people do not realise that an ALP Government could pave the way for Communist domination of Australia. How often do you hear—"My family have always voted Labor, why shouldn't I?" Sounds reasonable, but the truth is, the present ALP does not represent true Labor when ALP men knowingly and openly assist Communists to gain control of Trade Unions.

It is these same Trade Unions which control the ALP through its yearly conference held in each State. Their delegates represent about 75 per cent. of those attending, which gives them a voting majority, and they have already succeeded in pushing Communist policy right up to the ALP Federal

Executive level which controls the actions of all ALP Parliamentarians.

Worse still! The present ALP Parliamentarians know this, and yet do nothing about it.

This is why I am concerned. It means that any ALP men elected by you cannot truly represent you. They must obey their Federal Executive.

You may well ask—"What is the alternative?" The DLP is the answer, and that is why I am asking for your vote. Traditional Labor policies that have brought such security to Australia in the past are still the policies of the DLP.

The DLP is flexible in thought and action, and meets the challenge of the ever increasing Communist threat.

Compare the policies of the DLP and the ALP. In place of indecision and ambiguity, you will see a contrast—creative thought, positive action and a relentless opposition to Communist infiltration.

One further point. Don't be misled into thinking the DLP is a Church Party. It is an Australian Party, open to all who are interested in preserving our democratic way of life.

Thank you for sharing my problem. I would like to work with you to maintain for Australia that security for which we have all fought so hard.

Yours sincerely, Jim Marmion, DLP Candidate for Lalor.

### THANKS FROM PRA MAINTENANCE

Maintenance workers of the PRA wish to thank everyone who donated financial and moral help in their recent struggle and trust the decision to return was in accordance with the findings of most helpers.

We did not wish to see a bankrupt trade union to continue the fight, as indeed they would have been.

### LETTER TO THE EDITOR

Sir,

Your article on Page 1 of the "Star" of November 21 caught my eye and I feel I must have a word in defence.

I refer to the article on "Mad Motor Bike Mobs." I would like to point out that not all motor cyclists are such as the "Angels" and like bands of hoodlums.

There are 26 affiliated motor cycle clubs throughout Victoria and the clubmen are a pretty well behaved lot. They are governed by rules and regulations and any violation is regarded seriously by the committee of their clubs.

Throughout the years motor cyclists have done much for charity. As our club uses the Altona Sports Park for sporting events, your readers could get the idea we are no better than the "Angels" and other hoodlums who frequent the area.

This could be detrimental to future events conducted by us for charity.

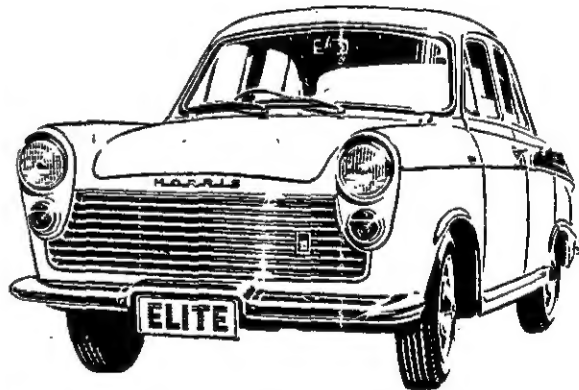

I would appreciate your printing this letter in our defence.

—R. J. SHEPHERD,  
Newport and District Motor Cycle Club.
